

## PROBE OF SLUSH FUND IS REOPENED — BY COMMITTEE

Loeb Tells of Methods to  
Raise \$1,000,000 to  
Nominate Wood.

HOST OF TAFT-TEDDY  
FIGHT IN MISSOURI BOBS UP

Statement Is Made Republican  
Contenders Used Large  
Sums in 1912.

MAKES ATTACK ON PALMER

Chicago Lawyer Charges Department  
of Justice With Making  
Political Use of Pardon Power.

(By Associated Press.)  
CHICAGO, July 7.—The Senate  
committee investigating pre-convention  
campaign expenditures of various  
candidates today resumed its hear-  
ings by delving into the organization  
and expenditures of backers of Ma-  
jor-General Leonard Wood.

The committee also began an ex-  
haustive inquiry into the organiza-  
tion in Missouri of Governor Frank  
Lowden, which did not end until  
early in the evening after various de-  
tails of the Roosevelt-Taft fight in  
1912 had been brought up by wit-  
nesses.

Among the witnesses were William  
Loeb, formerly private secretary to  
Theodore Roosevelt, and who de-  
scribed himself as a "sort of clearing  
house through which Wood funds  
in the East passed"; J. L. Babler,  
Republican national committeeman  
from Missouri; and E. L. Morse, of  
Excelsior Springs, Mo., described by  
witnesses as the distributor of Gov-  
ernor Lowden's campaign funds in  
Missouri, and "boss of the Third Mis-  
souri Congressional District."

**Tells of Taft-Teddy Fight.**  
Ben K. Peterson, of Princeton, Mo.,  
brought in the Taft-Teddy fight, de-  
scribing both had spent more money  
in Missouri in 1912 than Lowden in  
1920, and described a system of pay-  
ment by blank checks for which he  
received \$25 each, but which were  
sent to the Roosevelt campaign.

After Mr. Loeb had described how  
a group of New York men under-  
wrote \$1,000,000 for the Wood cam-  
paign, Senator James Reed took up  
the cross questioning of nearly a  
dozen witnesses concerning political  
conditions in Missouri, and particu-  
larly in the Third Congressional Dis-  
trict, which he said was always  
noted as a hot-bed of political  
fighting.

**\$1,000,000 Is Guaranteed.**  
One million dollars with which to  
conduct the campaign of Major-Gen-  
eral Leonard Wood for the Republi-  
can nomination for President was  
underwritten by a group of New York  
men a year ago, Loeb told the inves-  
tigating committee.

Mr. Loeb said he was called into  
conference with George A. Whelan,  
Arthur Patterson, Colonel Ambrose  
McDonnell, Zeth Freeman and others  
to give his opinion as to what Wood's  
campaign would cost.

"I estimated the expense at \$1,000,-  
000," he told the committee. "Col-  
onel Whelan underwrote \$250,000,  
Arthur Patterson \$250,000, William Cooper  
\$250,000, and I agreed to get the rest."

Through his hands, \$400,000 passed  
to Mr. Loeb, he said, and said the men  
who gave it to him might have ob-  
tained it from some one else.

**Wood in Preliminary Meeting.**  
General Wood, he testified, was  
present at the opening of this meeting,  
but not when the money was under-  
written.

J. Brodie Duke was one contribu-  
tor to the \$1,000,000, and George W.  
Perkins gave \$100,000, and H. H. Rog-  
ers, of the Standard Oil Co., \$50,000,  
Loeb said. He asserted these men  
might have obtained the money from  
others.

Loeb presented checks showing  
the amounts he received. Sen-  
ator Reed questioned him concerning  
an item of "five cashiers' checks of  
\$25,000 each."

Loeb said he mailed such checks  
under orders from former Presi-  
dent-General H. H. Henshaw. One check  
went to Florida, one to Georgia, one  
to a Colonel Smith, one to a Republi-  
can national committeeman in the  
District of Columbia, and one to  
Maryland. They were for \$5,000 each,  
he said. These checks were put in  
envelopes without letters and mailed,  
he testified.

When Senator Reed asked if this  
was not an unusual way to send  
money, Loeb replied: "Not in poli-  
tics."

## Navy Seaplane Locates Ship by Radio Compass

(By Associated Press.)  
WASHINGTON, July 7.—Guided  
entirely by radio compass signals, a  
navy seaplane, F-5-0, today left  
Norfolk and flew ninety-five miles  
on "beam" to pick up the bat-  
tle-ship Ohio at sea, with no knowl-  
edge at the time of taking the air  
of the vessel's location. The seaplane  
then navigated its return to Nor-  
folk entirely by radio compass.  
Navy Department officials, re-  
sponsible for the flight, said it was  
the first time radio compass ap-  
paratus had been used to direct  
aircraft to a ship.

## RECOGNITION DEPENDS ON HUERTA'S SINCERITY

State Department Is Giving Atten-  
tion to Situation in Mexican  
Republic.

SAME OLD METHODS EXIST

Government Agents Find Huerta's  
Orders Are Disregarded, Army Is  
Increased, Grafting on Pay Rolls  
Continue and Disturbances Occur.

(By Associated Press.)  
WASHINGTON, July 7.—The Mexi-  
can situation is receiving more  
careful study by the American gov-  
ernment than has any subject since  
the Paris peace conference, it was  
stated today at the State Depart-  
ment. This is with a view to accord-  
ing recognition to De la Huerta's pro-  
visional government, provided satisfac-  
tory assurances are given that it can  
and will maintain order, and will live  
up to its obligations respecting the  
protection of the lives and property  
of foreigners.

Melias Calderon, the special envoy  
sent by De la Huerta to urge rec-  
ognition, will ask for another con-  
ference with Acting Secretary Davis  
as soon as he has discussed the situa-  
tion with the members of his staff,  
who have just arrived here from  
Mexico City.

American officials, it is stated au-  
thoritatively, are impressed with the  
evident sincerity of the expressions  
of De la Huerta, and of the efforts  
to bring about a settlement. But  
they have taken note that the active  
workers in the various departments  
of the Mexican government have not  
been changed, and that the newly  
appointed cabinet officers leave the  
work of their offices chiefly to the  
work of the conductors of the affairs  
under Carranza.

**Same Old Officers in Control.**  
Reports reaching Washington from  
Mexico City state that foreigners,  
who went to the Mexican capital to  
compose the differences between their  
competing claims, are forced to deal  
with the very men who hampered  
their work, and in some cases, direct-  
ly the confiscation of their prop-  
erty under Carranza, and that they  
are meeting with the same difficul-  
ties.

General Obregon's desires to de-  
crease the size of the army, as has  
been reported in official and unofficial  
advice from Mexico City, are believed  
by officials to be sincere, but it is  
noted that the army has been in-  
creased by 30,000 men as a result  
of the revolution. Official reports re-  
ceived here have told of efforts that  
are being made to "moralize" the  
army by stopping the abuses of life  
and property. General Calles has is-  
sued a strong "order of the plaza"  
on the subject.

**Government Graft Continues.**  
The Treasury Department has es-  
timated that the cost of the army at  
present is 1,000,000 pesos a day and  
Salvador Alvarado, Acting Secretary  
of the Treasury, officially announced  
that there were "8,000 or 10,000 peo-  
ple" living on the nation by the  
padding of payrolls.

One of the most serious of the mili-  
tary abuses the government has not  
as yet been able to correct is the  
withholding of railway cars and lo-  
comotives in spite of specific orders  
for their return to the owners. More  
than 2,000 cars are still in the pos-  
session of the military and the rail-  
way operators say it is impossible to  
maintain freight or passenger sched-  
ules unless the cars are restored to  
them. General Luis M. Hernandez  
has been sent on a tour of inspection  
of all the lines with orders to compel  
the military chiefs to return the cars.

The school teachers in Mexico City  
have not been paid since June 1, and  
recently a petition was sent to the  
Senate asking for the resumption  
of the Department of Public Instruc-  
tion.

(Continued on Second Page.)

## BOLSHEVISTS HURL GIGANTIC ATTACK ON BIG BATTLE FRONT

Polish Forces Compelled to  
Withdraw Along Entire  
720-Mile Line.

(By Associated Press.)  
WARSAW, July 7.—Along a front  
of approximately 720 miles, the Rus-  
sian Bolsheviks have launched the  
greatest attack they have ever  
hurlled against the Polish lines. On  
the northern and southern flanks the  
Poles are retiring in the face of su-  
perior enemy forces, the attack on  
the northern sector being the most  
severe of the struggle on this front.

Paced with the necessity of short-  
ening their line, the Poles have been  
forced to withdraw at all points.

**Reds Fail to Break Through.**  
BERLIN, July 7.—A Warsaw dis-  
patch to the Frankfort Zeitung, says  
the Bolsheviks have begun an of-  
fensive on the north front, to the  
north of the Molodetchno-Dietek rail-  
way, but their first attempt to break  
through has failed.

## GERMANY ASKS 15 MONTHS TO FINISH DEMobilIZATION

Officials Declare Large  
Force Essential to Pre-  
serve Internal Order.

ALLIES DECLARE TIME  
NAMED MUCH TOO LONG

Spa Conference Declines to  
Modify Terms of Turkish  
Treaty.

(By Associated Press.)  
SPA, BELGIUM, July 7.—The of-  
ficial communique issued after the  
session of the conference today says  
that General von Seeckt, German  
Chief of Staff, submitted a detailed  
note on Germany's position regard-  
ing war material, and asked for a  
delay of fifteen months to comply  
with the treaty requirements.

Premier Lloyd George, in behalf of  
the allies, declared this impossible,  
since it was known that thousands  
of guns, machine guns and rifles  
were in the hands of the German  
population, and 1,000,000 men in  
uniforms under various pretexts.

The communique says that the ex-  
perts would meet tonight to verify  
General von Seeckt's figures, and that  
the allies would announce their final  
decision tomorrow.

**Will Yield to Inevitable.**  
The German Minister of Defense,  
Herr Gessler, during a recess of the  
conference, said to the German news-  
paper men:

"If we are compelled to disarm,  
then it must be done. But we will  
not be responsible for internal order  
in Germany."

The German plan for progressive  
demobilization to 100,000 men in fif-  
teen months was presented to the re-  
presentatives of the allied govern-  
ments today, and was declared un-  
satisfactory to the allies.

The Associated Press is informed by  
a prominent member of the confer-  
ence it will be examined seriously,  
however, and acted upon after the  
experts report tomorrow.

The impression in allied circles to-  
night is far more favorable than  
yesterday, the presentation of the  
German plan opening the way for  
discussion and removing the danger  
of a rupture.

**Thinks Crisis Yet to Come.**  
Dr. Simons, the German Foreign  
Minister, gave it as his opinion that  
the crisis has not yet passed. The  
only moment when there was any  
bitterness shown at this afternoon's  
session was when Premier Lloyd  
George said rather impatiently: "You  
only have to make a law to reduce  
your army and execute it."

To this Simons replied: "I wish to  
remind the honorable gentleman that  
there are parts of the British empire  
in which there are laws concerning  
the keeping of arms by subjects,  
which the British empire is unable  
to enforce."

The allied demand is for immediate  
destruction of 12,000 cannon, which  
the allied commissioners in Germany  
have under guard, together with  
30,000 machine guns. Germany de-  
clined to destroy the guns at the rate  
of 1,000 a day, which the allies held  
that this is insufficiently rapid, and  
express fear that the machine guns  
will fall into the hands of insurrec-  
tionists.

**Allies in Full Accord.**  
The military experts of both Ger-  
many and the allies began an exami-  
nation of the German proposal im-  
mediately after adjournment of the  
conference at 7 o'clock this evening.  
Immediately after the conference  
Premier Millerand declared to the  
correspondent it was essential that  
there be complete accord between the  
allies and that Germany had found  
that accord consisted of the first ad-  
vance of this, he said, was when the  
allies declined to discuss armament  
in the absence of the responsible Ger-  
man authorities.

Speaking of the coming financial  
conference in Brussels under the  
auspices of the league of nations, M.  
Millerand said it would take place  
(Continued on Second Page.)

## DISAPPROVE HARDING'S FRONT PORCH CAMPAIGN

Leaders in Conference With Chair-  
man Hays Urge That Candidate  
Meet the People.

(By Associated Press.)  
CHICAGO, July 7.—Ohio Republi-  
can leaders who conferred today with  
Will H. Hays, National Chairman of  
the Republican Committee, were re-  
ported to have disapproved the "front  
porch" campaign plans for Senator  
Harding. They favored a "swing  
around the circuit" for the Republi-  
can candidate instead of the cam-  
paign plan that has been advocated  
in some quarters.

Among Ohioans who conferred  
with Mr. Hays were: Harry M.  
Daugherty, Senator Harding's pre-  
convention campaign manager, and  
George H. Cook, chairman of the  
Ohio State Committee.

"We haven't the slightest appre-  
hension about Ohio," Mr. Cook said.

## Parliament Members Believe Great Plot Exists for Destruction of British Empire

(By Universal Service.)  
LONDON, July 7.—Growing  
alarm in Parliament that Great  
Britain's world supremacy is menaced  
by mysterious plots was re-  
flected in a meeting of members  
of both houses tonight, called to  
consider the revolutionary move-  
ment in Ireland.

Both Sir Edward Carson and  
Lord Salisbury declared the Clear-  
land is fighting not only Ireland's  
demand for independence, but a  
deliberate attempt to destroy  
Britain's sea power.

## BANK CLEARINGS GAIN OVER \$2,000,000 DAILY

Enormous Growth in Richmond  
Business Shown for First  
Half of 1920.

NEARLY DOUBLE 1919 RECORD

Total Clearings for Six Months in  
1920 Is \$339,031,332, One Day  
Record of \$25,150,072.00 Al-  
ling Through Clearing House.

Business done through Richmond  
banks has increased in the past year  
more than \$2,000,000 each business  
day, or \$56,655,222 a month, accord-  
ing to figures based on bank clear-  
ings for the first six months of 1920,  
as compared with those of 1919, for  
the corresponding period.

Business during the first six months  
of the year, the figures of the Clear-  
ing House Association of Richmond  
show, are \$1,618,196,769, the largest  
in the history of the city. For the  
corresponding period of 1919 the total  
clearings amounted to \$1,278,565,431.

During the past six months other  
records were also made in the  
business line. In a single day the  
Clearing House Association records  
that \$25,150,072.00 worth of business  
was transacted, smashing records  
made in 1919 by several million dol-  
lars.

The largest daily clearings in  
1919 were \$12,500,000, which record  
was made just a year ago yesterday,  
following a legal holiday and a Sun-  
day.

Clearings for yesterday totaled  
\$14,812,597.55, comparatively a small  
amount, which is accounted for by  
the unsettled conditions and the hol-  
iday.

Records made last year have been  
broken this year several times al-  
ready, single day's clearings having  
reached \$19,375,477.27 on January 26,  
\$18,101,718.29 on February 24, and  
\$17,457,061.85 on May 17. Several  
other very high clearings have fol-  
lowed during the months composing the  
first half of this year, some of them  
are accounted for by the fact that  
large amounts of money changed  
hands when income taxes were paid  
this spring, and for other special re-  
asons.

## AMERICANS ESCAPE THROUGH GRATITUDE OF WOUNDED TURK

Near East Relief Workers Sent  
to Safety by Machine  
Gunner Convalescent.

(By Associated Press.)  
CONSTANTINOPLE, July 7.—The  
gratitude of Enver Bey, a nationalist  
machine-gun commander, who had  
been nursed back to life by Miss Mary  
Super, of Barberton, Pa., a Red Cross  
nurse, detailed with the American  
commission for relief in the Near  
East, has made possible the escape of  
the relief workers from the American  
board mission buildings in Hadjin,  
thirty minutes before the nationalists  
turned their artillery on the structure  
and destroyed them on June 13.

This fact became known today with  
the arrival here of Miss Super, Miss  
Katherine Bredemus, of South Bend,  
Ind., and Mr. and Mrs. D. C. Eby, of  
Disbury, Alberta, from the Hadjin dis-  
trict. The bare news of their escape  
had preceded them by a few days.

After the Americans had been  
warned by the Turks to leave the mis-  
sion building before the firing began,  
the nationalists took them into their  
camp and gave them every comfort.  
They provided mules to carry the re-  
lief workers to Caesarea. Thence the  
party travelled by motor truck to  
Samsun.

## HOUSE OF LORDS FAVORS CUTTING DOWN EXPENSES

Government Defeated in Resolution  
Calling for Economy in  
Government Expenditures.

(By Associated Press.)  
LONDON, July 7.—The government  
suffered a defeat in the House of  
Lords tonight when Baron Middleton's  
resolution strongly urging retrench-  
ment in national expenditures was  
adopted by a vote of 55 to 23.

The resolution also demanded that  
the government appoint special com-  
missioners empowered to wind up  
existing departments for special war  
services and reduce to a normal level  
other inflated establishments.

## SWALLOWS FIRECRACKER

Babe Loses Life Result of Unusual  
Independence Day  
Incident.

(By Associated Press.)  
DENVER, COLO., July 7.—A Thals  
Ward, seventeen months old, died to-  
day from the effects of swallowing  
an unexploded firecracker.

## PRESIDENT WILL ROLL UP SLEEVES TO ELECT TICKET

Will Do Utmost to Insure  
Success of Cox and  
Roosevelt.

EXPECTS UNITED PARTY TO  
GAIN SWEEPING VICTORY

Executive Will Remain in  
Washington for Summer  
Taking Part in Campaign.

(By Universal Service.)  
WASHINGTON, July 7.—President  
Wilson is going to "roll up his coat  
and 'roll up his sleeves' for the fight  
to elect Cox and Roosevelt, the Demo-  
cratic candidates for President and  
Vice-President, it was said at the  
White House today.

The official announcement declared  
that the extent to which the Presi-  
dent will plunge into the campaign  
will be limited only by the plans to  
be worked out by his participation  
by the Democratic National Com-  
mittee.

Until the national committee maps  
out its plan of campaign and assigns  
the role the President is to play, it  
is, of course, not known in just what  
particular field he will operate. In-  
asmuch as the league of nations is to  
be made the paramount issue by the  
Democrats, however, it is expected  
that the President will serve as di-  
recting genius on that subject and  
will contribute papers of importance  
to the canvass.

**Will Remain in Capital.**  
It also was announced today that  
the President will not leave Wash-  
ington for any extended summer vaca-  
tion, unless that plan is changed by  
unforeseen circumstances. He  
will take the usual week-end trips  
down the Potomac River and Ches-  
apeake Bay, for which the Mayflower  
stands ready. The presidential yacht  
also has been made ready for an ex-  
tended cruise if the President should  
desire to take such an outing, but it  
is now said that he probably will not  
leave the capital for a long voyage.

The suggestion was heard unoffi-  
cially today that the President may  
indulge in a "front porch" campaign  
for the party ticket, to supplement  
the efforts of the leaders in the field.  
It is believed, however, that if his  
health should permit any speech-mak-  
ing, he would prefer a hall some-  
where in Washington or some other  
large city close by.

The probability is that he will limit  
his activities to statements and com-  
munications which would be given  
about as much publicity as a speech.  
**Cabinet Will Co-Operate.**

It is expected that the views of the  
President today, indicating that he  
personally to work to the utmost  
for the Cabinet and Roosevelt, will be  
taken by the Cabinet and Roosevelt as  
a cue to go forth into the political  
fields and do their best for the ticket.

The national committee will assign  
various speakers to the various  
fields, Franklin D. Roosevelt, nomi-  
nee for Vice-President, probably will  
have his hands full in New York,  
where he will be working in full  
harmony with all elements of the  
party regarded as essential to suc-  
cess. The vice-presidential candidate  
also is expected to campaign in other  
pivotal States when he can be spared  
from New York.

**President Enthused Over Ticket.**  
The enthusiasm with which the  
President has reacted to have re-  
ceived the nomination of Cox and  
Roosevelt yesterday was followed to-  
day by an unofficial statement by  
Secretary Tumulty that the President  
is elated over the Cox-Roosevelt  
ticket. The President, it was said,  
expects all elements of the party to  
aid in carrying the Democratic  
standard to victory in November.

Administration leaders gave out the  
impression here that they consider  
Governor Cox "all wool and a yard  
wide" on the league of nations issue.  
Consequently, it is contended, the  
President could not have a better  
spokesman for himself and the league  
than the candidate selected at San  
Francisco.

## PENSACOLA DISCOVERS FOURTH BUBONIC VICTIM

U. S. Surgeon-General Orders Exter-  
mination of Rats Under Threat  
of Quarantine.

PENSACOLA, FLA., July 7.—The  
fourth case of bubonic plague was  
officially reported here today. Cit-  
izens in mass meeting demanded that  
the commission pass an ordinance  
providing for rat extermination. The  
last case of plague was Henry Hud-  
son, driver for an express company.  
He was inoculated with serum.

Mayor Sanders said today that the  
ordinance recently would be enacted  
by the commission, and as it  
could be advertised to meet the re-  
quirements of the law.

Word came from the surgeon-gen-  
eral's office at Washington that un-  
less rats in Pensacola are killed, the  
city would be placed under quaran-  
tine.

## SUSPECT BUBONIC PLAGUE

Death of Negro Under Suspicious Cir-  
cumstances Reported at Port  
Arthur.

(By Associated Press.)  
PORT ARTHUR, TEXAS, July 7.—  
A negro, said to have been employed  
recently on Galveston wharves, died  
Tuesday of disease determined by the  
city health officers today as bubonic  
plague.

## "Marse" Henry's Message Praised by Governor Cox

(By Associated Press.)  
DAYTON, OHIO, July 7.—One of  
the most highly prized felicita-  
tions which Governor Cox received  
today came from Colonel Henry  
Waterson. The Governor said he  
was particularly pleased with it  
because Colonel Waterson repre-  
sented to him the ideal Journalist.  
Colonel Waterson's telegram said:  
"Your nomination revitalized  
Democracy. It will stir the Demo-  
cratic heart of the nation with a  
reflection of a glorious past and  
the forecast of a radiant future.  
To the bosom of one old Ken-  
tuckian it brings a flood of fight-  
ing memories along with the as-  
surance of glorious victory."

## ASK RESTRAINING ORDER IN BATTLE ON SUFFRAGE

Action Filed Enjoining Secretary of  
State From Issuing Ratification  
Proclamation.

ALLEGED WEST VIRGINIA FRAUD

Woman's Party Leaders Confident  
That Antis Will Lose Contest  
Although They May Prevent  
Women Voting in November.

(By Associated Press.)  
WASHINGTON, July 7.—Proceed-  
ings asking that Bainbridge Colby,  
Secretary of State, be enjoined from  
issuing any proclamation declaring  
the suffrage amendment ratified were  
instituted in the District of Colum-  
bia Supreme Court today by Charles  
S. Fairchild, of New York, president  
of the American Constitutional  
League.

Mr. Fairchild also seeks to prevent  
Attorney-General Palmer from en-  
forcing the amendment. Justice  
Brady issued a rule on Secretary  
Colby and the Attorney-General to  
show cause July 13 why the motion  
should not be granted.

The basis of the proceedings is the  
claim that the ratification of the  
amendment by the West Virginia  
Legislature was illegal because ac-  
complished by fraud and proposed  
ratification by the Tennessee Leg-  
islature would be illegal on ground that  
the Legislature lacked authority to  
act on the measure under the Con-  
stitution of that State.

**Attack Came as Surprise.**  
Only thirty-five ratified the amend-  
ment and as ratification by one other  
is necessary, the attack on the  
amendment through the courts at  
this time came as a surprise in sur-  
frage circles here. An attack on  
the legality of the action of the  
Tennessee Legislature had been ex-  
pected, but not until the Legislature  
actually had acted.

In anticipation of such a move by  
the anti-suffrage forces organizations  
supporting the amendment have  
been conducting their campaign chief-  
ly from Columbus, where he will  
necessarily have to be much of the  
time in connection with his duties  
as Governor. His Dayton friends,  
however, anticipate that his home  
town will be one of the principal  
nerves centers in the campaign and  
that no small part of his campaign  
work will be conducted from his  
newspaper office.

It has been the practice of the  
Governor to come home each Friday  
from Columbus and spend the week-  
end with his family at Trail's End,  
and at his newspaper office.

No political conferences of import-  
ance were expected until the party  
leaders return from San Francisco.  
The visit of Franklin D. Roosevelt,  
the vice-presidential nominee, was  
expected Saturday, is not antici-  
pated to develop into anything more  
than an exchange of felicitations.

Mr. Roosevelt will stop here on his  
way home from the convention. The  
Governor spent most of today at his  
newspaper office receiving callers  
and reading messages of congratula-  
tion which have poured into his of-  
fice in a constant stream since early  
Tuesday. Among them were felicitat-  
ions from all the candidates who  
were contenders for the honor that  
came to the Ohio Governor, Vice-  
President and Mrs. Marshall, Cab-  
inet members, governors, political lead-  
ers of both parties, representatives  
of labor, business men and personal  
friends.

**Lane Wants Constructive Contest.**  
One message from Franklin K.  
Lane, former secretary of the In-  
terior, said:

"I sincerely congratulate you and  
the country. Do give us a campaign  
that is constructive, that will chal-  
lenge the interest and support of the  
new voters."

Another from Senator Glass said:  
"Please accept my congratulations on  
your nomination."

Franklin D. Roosevelt, the vice-  
presidential nominee, sent the fol-  
lowing telegram in response to the  
Governor's of last night: "My  
sincere congratulations and warm re-  
gards of your team are all yours  
I will stop off on my way East to  
convey to you in person."

Another highly prized message  
came from Jake Daubert, of the Cin-  
cinnati Reds. It said: "It was I  
the stars that the Reds should win  
the pennant." It is in the stars that  
you should be President." The first  
part of the message was the Gov-  
ernor's own language in congratulat-  
ing the Reds on winning the pen-  
nant. Tex Rickard, boxing promoter  
also sent congratulations.

The Governor and Dr. Nicholas  
Murray Butler, who was a candidate  
for the Republican nomination, had  
played golf together at Augusta, Ga.  
in his message of congratulations.
